Interest and Payment	
Earns Interest	Yes - This product has a variable interest rate Your interest rate and annual percentage yield (APY) may change at our discretion at any time. The APY assumes that interest paid remains in the account. A withdrawal will reduce earnings. We use the daily balance method to calculate the interest on your account. This method applies a daily periodic rate to the collected balance in your account each day. Interest compounds daily and will be paid monthly to the Nevada Bar Foundation. If you close your account before interest is paid, accrued interest will not be paid. Interest begins to accrue no later than the business day we receive credit for the deposit of noncash (checks). See the Deposit Rate Sheet for details.

How Deposits and Withdrawals Work	
Deposit Funds Availability <i>(When funds deposited to your account are generally available)</i>	Cash deposited: Next business day Check deposited: Next business day generally, unless a hold is placed Direct Deposit and Wire Transfer: Same business day We may place a hold on funds you deposit in your account by check. If we do, a portion of the funds will generally be available to you the first business day after the day of deposit. Depending on the type of check you deposit, the remainder of the funds may not be available to you until the second day after the day of deposit or even later. We will generally tell you at the time you deposit a check if a portion of the funds from the check will not be available to you the business day after the day of deposit. We will also tell you when those funds will be available. For determining the availability of funds deposited by check, every day is a business day, except Saturdays, Sundays, and federal holidays.
