Nevada State Bank to open Downtown Summerlin branch

Robert Arnal named Summerlin branch manager; new appointments for Jacquelyn Trevena and Lela Clark

LAS VEGAS – In April, Nevada State Bank will open a new branch in Downtown Summerlin, and has selected Robert Arnal as vice president, branch manager for the new location. The addition of this new branch allows the bank to make additional changes, further strengthening the branch management team, with Jacquelyn Trevena, vice president and Lela Clark, assistant vice president being selected for new roles.

Robert Arnal joined the bank in 2016, showing a passion for business development while managing The Lakes branch. He brings with him eight years of experience directly related to opening and managing new branches here in the Las Vegas area. He has 20 years of retail banking experience overall.

“His energy and knowledge will serve him well as he leads the new Summerlin team,” said Craig Kirkland, executive vice president/director of retail banking at Nevada State Bank.

Jacquelyn Trevena will be transitioning to branch manager at The Lakes. She has been with Nevada State Bank for eight years, most recently serving as branch manager at the Mountain’s Edge branch. She brings 15 years of retail banking experience and was selected to manage two branches during a transition period, bringing leadership and stability to both offices.

Kirkland said Trevena “takes immense pride in mentoring her colleagues and developing their talents to achieve their career aspirations and is a natural fit for The Lakes branch.”

Lela Clark has been named the new branch manager for the Mountain’s Edge branch. She has more than 10 years of retail banking experience. She began working at Nevada State Bank in 2010, and has been promoted through the branch positions of professional banker, new accounts banker, financial services supervisor and branch customer service manager. Clark is a graduate of the Nevada State Bank Management Trainee Program and has a degree in business management from Western Governors University.

The addition of the Downtown Summerlin branch will offer the convenience and modern technology that clients desire.”

The Summerlin branch will be located in Downtown Summerlin, adjacent to Trader Joe’s, at 11035 Lavender Hill Drive, Suite 170, Las Vegas, NV 89135. The branch is scheduled to open in April.
