Nevada State Bank wins Gold in “Best of Reno” for a second year in a row

RENO – For a second year in a row, Nevada State Bank was voted “Best Bank” in the “Best of Reno” contest presented by the Reno Gazette-Journal.

Focusing on the Reno/Sparks area, Nevada State Bank took first place over all banks and credit unions. Winners of this competition are both nominated and voted on by local residents, making this honor all the more meaningful to the bank and its colleagues.

“We’re honored by the recognition again from our customers who recognize our high standards of service,” said Terry Shirey, president and CEO of Nevada State Bank. “We’re excited to win by a landslide, and we owe this honor to our customers and our colleagues who deliver on our commitment to our customers – going above and beyond by delivering a great experience at our branches every day.”

More than 20,000 readers cast more than 190,000 votes in all – for their favorite people, places, businesses and things in Reno/Sparks. This year’s numbers are similar to those in 2017’s inaugural contest.

Last year, the bank won “best of” awards throughout the state. In addition to the Northern Nevada win, Nevada State Bank won three Readers' Choice Awards with readers of the Elko Daily Free Press selecting the bank as the gold winner in the "Best Lender" category, silver winner for "Best Bank" and bronze for "Best Employer, Non-Mining." In Southern Nevada, the bank was named the gold award winner for "Best Bank" in the Las Vegas Review-Journal's annual "Best of Las Vegas" reader's poll. It also won silver in the RJ poll for "Best Customer Service" across all types of businesses.

As part of Zions Bancorporation, Nevada State Bank received 16 prestigious Greenwich Excellence Awards for achievement in Middle-Market and Small Business banking in 2017. Zions Bancorporation is one of the nation's premier financial services companies with total assets exceeding \$65 billion. Nevada State Bank is recognized for making local decisions while leveraging the financial stability, knowledge and services of Zions, including global banking capabilities.
